Each excursion has an allocated letter which corresponds to the table above showing at what time it will be leaving each pick up point.

Please ensure you have checked your departure letter and times & that Norfolk Coachways know where you will be boarding as we only call at stops requested in advance.

Wheelchairs & Mobility Scooters Company Policy Is Changing!

We always endeavour to help our less able passengers where possible. However, from 2018 we will only be carrying standard folding type wheelchairs & portable/travel type mobility scooters. Space for these needs to be booked in advance & will be allocated on a 1st come first served basis up to a maximum of 3 mobility scooters per excursion. These need to be loaded into the luggage compartment & as per our terms & conditions the company accepts no liability for damage caused during loading or transit.

They are carried at the owners risk.

We will not be carrying any mobility scooters that are not of the portable/travel type & are therefore too heavy to lift safely.

If you are unsure of the type of mobility scooter you have please contact the company & we can tell you if yours is a travel/portable type. You may need to send us details or a picture.

Mobility scooters that are not approved & booked in advance will not be carried.
